The following essay on dogs was written by a small pupil in a small school. "Dogs is usefuller as cats. Mice is afeared of cats. They bite em. Dogs follers boys and catches a hog by the ear. Hogs rare bite. Sheeps bite people. People cat hogs, but not the Jews, as they and other animals that does not chew

the cud isn't clean ones. Dogs sum times get hit with bootjacks for barking of nites. Sleepy they do more for man than ground hogs or koons or gotes. The end."

A report was circulated in Harrisburg, Pa., on Friday, that white and black children would be admitted to rumor created so much excitement that a public denial was made by the board of directors of the public schools.

The latest idea for fashionable church-
